Together**

01

FLL Mentoring

FLL Team - JFK

- RoboEagles - Team 28779
- Mentoring since 2020-2021 season
- Meet with them on Monday's and Friday's to help with programming, projects, robot design

FLL Jr Teams - CCS, CBS, and KLS

- 3 new FLL Jr teams in the elementary schools
- Mentoring once a week
- Grades 4 & 5

02

Engineers Helping Engineers

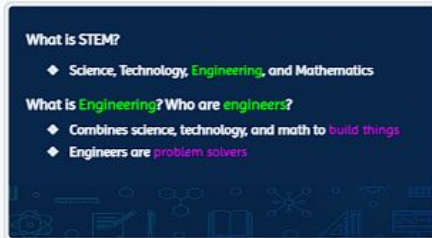

Engineers Helping Engineers

- Visiting the 3 elementary schools to give an overview of STEM, engineering especially
- Doing an electrical engineering project - Snap Circuits
- Talking about the opportunities available to them in the middle and high school

03

**Robotics
Summer Camp**

Robotics Summer Camp

- Curriculum involves lessons on circuitry, CAD, and includes a tour of the Regal Eagle Lab
- Insight on computer science and engineering
- 3 hours /day for one week

04

FIRST Together

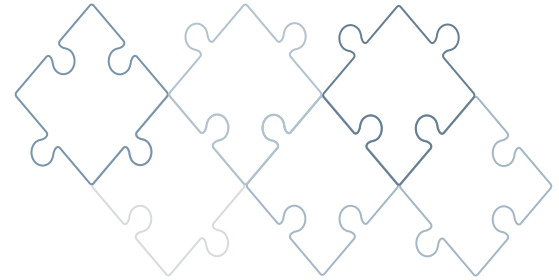

What is FIRST Together?

- Provides local teams with opportunities to cooperate and collaborate with each other to support our community and FIRST values
- Uniting the FIRST community and expanding outreach in our communities
- Provide a chance for all participating robotics teams across Long Island & NYC to interact and share ideas with one another

Goals of FIRSt Together

- Increase outreach and participation in community events together as the FIRSt community
- Raise awareness and fundraise money for important causes: A cleaner environment, Equal access to opportunities for all, STEM Equity, Etc...
- Collaborate and build bonds with other FIRSt teams

Past Events

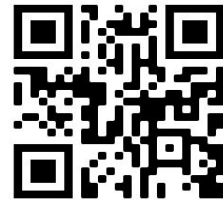

Beach Clean-Up at Theodore Roosevelt
Memorial Park – 08/06/22

JDRF One Walk at Eisenhower Park –
10/23/22

How You Can Get Involved!

- Join our FIRST Together Discord!
- Participate In Our Organized Events
- Post Volunteer Ideas In Our Discord / Share Proposals With Us
- Share Our FIRST Together With Other Long Island & NYC FIRST Teams To Spread The Word About This New Founded Program
- Share Our Events To Others
- It's That Easy!

**Join our
Discord server**
